1954 Aston Martin DB3 Parts and Accessories: Automotive ...

The Aston Martin DB3 and later DB3S were sports racing cars built in the 1950s. Although they used some DB2 parts, they were quite different, being designed especially for racing. The original modifications were done by ex-Auto Union engineer, Eberan von Eberhorst, though others handled the later DB3S work.

Aston Martin DB3 - Wikipedia

Aston Martin built ten DB3's from 1951-1953. DB3/8 is thought to be one of seven DB3's left in existence, and the only DB3 left with all of its original body including the original grill. During the restoration particular attention was paid to preserving as much of the original parts as possible including rebuilding and fitting the original engine.
