Fashion to me is considered a mirror of our times because if you look back at the past fashions you will see that a lot of the things being worn were because of what was going on in the world at the time. The 1930s was one of the Golden Age of Glamour for women's fashion.

Why and how is fashion a "Mirror of our times?" by ...

Mirrors are also used to view other items that are not directly visible because of obstructions; examples include rear-view mirrors in vehicles, security mirrors in or around buildings, and dentist's mirrors. Mirrors are also used in optical and scientific apparatus such as telescopes, lasers, cameras, periscopes, and industrial machinery.
