Animals And Why They Matter

Animals and Why They Matter examines the barriers that our philosophical traditions have erected between human beings and animals and reveals that the too-often ridiculed subject of animal rights is an issue crucially related to such problems within the human community as racism, sexism, and age discrimination. Mary Midgley's profound and clearly written narrative is a thought-provoking study of the way in which the opposition between reason and emotion has shaped our moral and political ...

Mary Midgley, Animals and Why They Matter - PhilPapers

Their answers have depended both on what they take an animal to be and on what they consider to be the cause, the nature and the range of obligations. Descartes, for example, considered that, because animals lacked souls and, more importantly, reasoning faculties, they are mere machines.

Amazon.com: Customer reviews: Animals and Why They Matter

The main character, who also appears in Coetzee's novel Elizabeth Costello, is concerned with the moral status of animals, a subject Midgley addressed in Animals and Why They Matter, and discusses at length the idea of sympathy as an ethical concept, a subject Midgley wrote about in Beast and Man. Andy Lamey wrote that the result of these and other similarities is that Coetzee's work "evoke[s] a particular conception of ethics, one very similar to that of the philosopher Mary Midgley.
