August Sander: Face of Our Time (Schirmer Visual Library ...

During military service, August Sander was an assistant in a photographic studio in Trier; he then spent the following two years working in various studios elsewhere. By 1904 he had opened his own studio in Linz, Austria, where he met with success. He moved to a suburb of Cologne in 1909 and soon began to photograph the rural farmers nearby.

August Sander (Getty Museum)

By 1910, he had moved to a suburb of Cologne, spending his days biking along the roads to find people to photograph. By the time the Nazi regime rose to power in the 1930s, Sander was considered an authority on photography and recognized for his book Face of Our Time (1929). During this era, he faced both personal persecution and the systematic destruction of his work.

August Sander | artnet

Arguably his most analyzed image, it was first published in Sander's Face of Our Time collection in 1929, and again, posthumously, in his magnum-opus People of the Twentieth Century. In the image, three suited young men are seen walking along a rural path, probably on their way to a dance.

August Sander Photography, Bio, Ideas | TheArtStory

At the Cologne Art Society exhibition in 1927, Sander showed 60 photographs of “Man in the Twentieth Century,” and two years later he published *Antlitz der Zeit* (Face of Our Time), the first of what was projected to be a series offering a sociological, pictorial survey of the class structure of Germany.
