When I've taught pattern making, we start by drafting the basic blocks. Pattern blocks are drafted from a set of measurements, they can be from a dress form, a standard measurement chart, your fit model, or your very own measurements of your body. I've taught how to measure the body first, because most people want to make patterns for their body

You can either make the sewing pattern on a paper or draw directly on the cloth with chalk. Start by marking on paper assuming the line A-B is folded cloth . If you are directly marking on the cloth take the two front and back pieces and fold in half and take the folded side as AB in the diagram and start marking.
