Behind the beat - Hip Hop's Digital Giant

Hip-Hop: Beyond Beats and Rhymes is a 2006 documentary film written, produced, and directed by Byron Hurt. The documentary explores the issues of masculinity, violence, homophobia and sexism in hip hop music and culture, through interviews with artists, academics and fans. Hurt's activism in gender issues and his love of hip-hop caused him to feel what he described as a sense of hypocrisy, and began working on the film. The premiere of the film took place at the Sundance Film Festival, being wel

Behind the Beat: Hip Hop Home Studios by Alan Raph

While a number of people were influential in the creation of hip-hop, much credit is given to Kool Herc (Clive Campbell), a Jamaican immigrant who was the first major hip-hop disc jockey. At a Bronx party on August 11, 1973, he introduced the technique of playing the same album on two turntables and extending the drum section (which became known as the breakbeat).
