In Beyond the Wall, some rolls (Skills) are rolled below your stat to succeed with the addition of a vaguely defined skill bonus added to your stat value. In other cases (Combat rolls and saves), you must roll above a target number to succeed, with maybe some combination of strength, Base Attack Bonus (BaB), or Dexterity added to your roll value.

Beyond the Wall is a generic term employed by the people of the Six Kingdoms and the Kingdom of the North to refer to the large area of Westeros that lies north of the Wall. It is the only part of the continent that is not part of a realm, and thus the only place where particular attention is given to the difference between "Westeros" (the continent), and "the Six Kingdoms" and the Kingdom of the North (the two realms to the south of the Wall).
