A Holistic Approach. Cerium provides a full suite of collaboration, networking, data center, and security solutions, but we are more than a provider of industry-leading technology, we help medium to large businesses in the Northwest plan for and then realize the positive impact of technology on their business operations, strategies, and user experiences.

Cerium Networks | IT Solutions for the Dynamic Workforce
Business Communications Solutions is a great company to do business with. They recently performed a remarkable job for us and were also able to correct a problem that AT & T left us with. They have proven to be reliable, efficient, and provide a service that is also reasonably priced. I give them an A+ rating.
