The visual aspect of Chinese propaganda was vital as many citizens could not read when the Cultural Revolution began. Most posters were created through a specialized propaganda department of the Communist party but units of Red Guards, acting independently, also produced their own imagery. The government-produced posters was printed in large quantities and available for purchase in a government run bookstore chain. Recommended Reading: 8 Books on Posters

Stefan R. Landsberger | Chinese Posters | Chineseposters.net

Propaganda Posters were a vital way of instilling the values of the new order after the Civil War in China, but they quickly diverged from the socialist realist template, writes Joe Llyod. How does a new order perpetuate itself? This was among the questions facing the Communist party when it seized control of China in 1949.
