Common Home Health Care Home

The staff at Commonwealth Home Health Care has been sweet and caring since the first day I was setup on my oxygen. Everyone that I have spoken with has been very helpful on the phone and in person. I am visually impaired and Gary Cox came out yesterday evening to set my oxygen up and even though my husband was not there, Gary took his time and ...

The most common problem lies with poor communication. There are many times when you resort to home health care because your loved one is not able to adequately take care of themselves on their own. For many day-to-day activities, it is up to the caregiver and you to have good communication, so they know what has to be done. It can be especially ...

Common Problems with Home Health Care Agencies

At a basic level, "home health care" means medical care provided in a patient's home. Home health care includes a type of broad level of care given by skilled medical professionals, including physicians, skilled nursing care, physical therapy, occupational therapy, speech therapy, licensed social worker, and certified nurse assistant.
