Communism In The Bible Wgsu

Answer: Communism, a branch of socialism, is an experimental social system based on a set of ideals that, at first glance, seem to agree with some biblical principles. On closer examination, however, little evidence can be found that the Bible truly supports or endorses communism. There is a difference between communism in theory and communism in practice, and the Bible verses that seem to comply with communist ideals are in fact contradicted by the practices of a communist government.
