Cases On The Conflict Of Laws [EBOOK]

Conflict of Laws Foundation. The conflict of laws is based upon the principle of choosing the most rational law to apply in a given case so as to give a fair result. It is known by different names, but none of them are accurate. In a federal system like the United States where the conflicts are mainly between different state laws, the term "conflict of laws" is more popular since these rules are rarely applied to international issues. However, it's still a general term that also applies ...
