Published November 2003. The Project window in SX 2 is functionally similar to the previous version, while presenting quite a radical visual change. Note the new Inspector Sections to the right, the Marker Track in the upper part of the Track List Divide, and the FX Channels at the bottom of the window. The first major revision to Steinberg's Cubase SX incorporates the newly developed audio engine from Nuendo 2, new features for media composers, and classic features from Cubase VST.
