**Discourse on the method : and, Meditations on first ...**  
Summary. Discourse on the Method is Descartes' attempt to explain his method of reasoning through even the most difficult of problems. He illustrates the development of this method through brief autobiographical sketches interspersed with philosophical arguments. Part 1 contains "various considerations concerning the sciences."

**René Descartes (1596-1650): Discourse on the Method ...**  
Descartes proposes to share a method that he discovered in his youth that he believes has helped him increase his knowledge to the greatest possible extent given his own limitations. While he does not feel his reason is any better than anyone else's he does feel he's discovered a very effective method of applying it.

The full title of Mediations on First Philosophy is Meditations on First Philosophy in which the existence of God and the immortality of the soul are demonstrated.

**Discourse on Method Summary and Study Guide | SuperSummary**  
This volume provides new translations of René Descartes's two most important philosophical works. The Discourse offers a concise presentation and defense of Descartes' method of intellectual inquiry — a method that greatly influenced both philosophical and scientific reasoning in the early modern world. Considered a foundational text in modern philosophy, the Meditations presents numerous powerful arguments that to this day influence debates in epistemology, the philosophy of mind ...

**Discourse on Method and Meditations on First Philosophy ...**  
In response to queries about this section, Descartes prepared a much lengthier discussion of the philosophical underpinnings for his vision of a unified and certain body of human knowledge. This response was to be his Meditations on First Philosophy, completed in the spring of 1640—but not published until August, 1641.

**Discourse on Method and Meditations on First Philosophy ...**  
The discourse on method is a work by René Descartes published in 1637. It is the first book of philosophy published in French current (previously published scholarly books were in Latin). Rejecting all authority, Descartes explains in simple and accessible to all four rules that should allow everyone to get to the truth:
