Diving and Subaquatic Medicine, Fifth Edition

Diving and Subaquatic Medicine Fourth Edition. A reference to clinical diving medicine. Written for doctors and paramedics who are responsible for the medical needs of divers both on or under the water, this new edition retains the strengths of its predecessors, with the emphasis still firmly on practical management.

[PDF] Diving And Subaquatic Medicine Download Full - PDF ...

The newest edition is well done and gives a good amount of new information on some unusual topics. In some places it is very introductory in the information presented. This book is mostly an encyclopedia type of work - it does not go into a lot details on most subjects but gives a general view of diving medicine and all its related topics.
