Drawing archaeological finds : a handbook (Book, 1990 ...

INTRODUCTION This manual is a guide to the compilation of archaeological site records - drawn, written or photographed in the course of fieldwork - using in most cases a system for recording single contexts one at a time. A 'context' is simply a unit of record, and is usually defined stratigraphically.

Drawing in a museum. When you are an archaeologist illustrator, you can draw finds from excavation or collections in a museum. In 2018, I had the opportunity of working with the archaeological museum of Bavay located up north close to Belgium. So, I drew 150 pieces from the bronze collection known as "le trésor des bronzes de Bavay" for the next exhibition planned from september 2018 to ...
