The Sociolinguistics of Globalization

Languages are, then, the very lifeline of globalization: without language, there would be no globalization; and vice versa, without globalization, there would be no world languages. “Cross-cultural contact, therefore, is often viewed as a potential source of unmanageable, or at least undesirable, culture change and of language shift, given that power differentials are to be expected between ethnic groups in interaction” (Fishman, 1989).

Language and Globalization | HERVE DELHUMEAU

Language contactis the social and linguistic phenomenon by which speakers of different languages(or different dialectsof the same language) interact with one another, leading to a transfer of linguisticfeatures.
