painters you read about in Chapter 1. The New Stone (Neolithic) Age began when people learned to farm and produce their own food. The discovery of farming did not happen all at once. Over thousands of years, people gradually learned to raise animals and plant crops. Eventually they began to rely on farms for their food. Now they could settle down in one

CHAPTER

In Chapter 1, you explored cave paintings made by prehistoric humans. Scientists call these prehistoric humans hominids. In this chapter, you will learn about five important groups of hominids. You've already met three kinds of "history detectives"—archeologists, historians, and geographers. The study of hominids involves a fourth type,
