History and Class Consciousness - Wikipedia

History and Class Consciousness is one of those books that are re-discovered again and again. Published in Germany in the '20s and eagerly read by those who formed the first wave of "Critical Theory", Lukacs' blend of Hegel and Marx became influential again in the explosion that was 1968: "New Leftists" looking to productively critique both capitalist society and official socialist satchems took up his ideas.

Amazon.com: History and Class Consciousness: Studies in ...

A few years after History and Class Consciousness was published, it was moved into the focus of philosophical discussion by Heidegger in his Being and Time, a place which it maintains to this day largely as a result of the position occupied by Sartre and his followers. The philologic question raised by L. Goldmann, who considered Heidegger's ...

History and Class Consciousness: Studies in Marxist ...

Lukács had a massive influence on Western Marxism, and for good reason; History and Class Consciousness: Studies in Marxist Dialectics is undoubtedly his greatest work. His theory of reification, the unique position of the proletariat as subject-object within history, and his constant attempts to draw attention to the influence Hegel had on Marx continue to enlighten and further the thought laid down by previous theoreticians (at least for me).
