This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views. McMahan argues, for example, that it is wrong to fight in a war that is unjust because it lacks a just cause. Uehiro Series in Practical Ethics: Killing in War (Hardcover)

Killing In War Uehiro Series In Practical Ethics [PDF]

Killing a person is in general among the most seriously wrongful forms of action, yet most of us accept that it can be permissible to kill people on a large scale in war. Does morality become more permissive in a state of war? This book argues that conditions in war make no difference to what morality permits and that the justifications for killing
