### Life on Mars: Poems | IndieBound.org

Tracy K. Smith's Life on Mars is a fantastic collection of poems that explores a wide variety of issues: grief, illness, pop culture, the weather and David Bowie. What drew me in further was how Smith linked her poems through space and science fiction imagery to question who we are and what we are doing at this moment.

### Life on Mars by Tracy K. Smith - Goodreads

Life on Mars begins with a series of poems in section one that focus on visions of the future and meditations on outer space and the universe. The poem "Sci-Fi" describes the poet's predictions for the future while "My God, It's Full of Stars" and "The Universe is a House Party" explore the expansiveness and chaos of space and time.

Life On Mars is a collection of poems from Tracy K. Smith, and considering that it won the Pulitzer Prize for poetry, it hardly needs my stamp of approval. But since poetry doesn't sell well due to the tyrannical collective-rule of prose, pop music, film, and television, I think it is important to promote such works.
