### Living Stories: Pastoral Counseling in Congregational ...

"Living Stories is a refreshing challenge to a church context in which the ministry of counseling is more and more being relegated to the certified professional. Donald Capps provides a thoughtful framework for revisioning counseling through a careful integration of biblical insights, individual and family systems models of therapy, and his own use of delightful and challenging narratives.

### Living Stories: Pastoral Counseling in Congregational ...

"In Living Stories Donald Capps makes a forceful case for the importance of pastoral counseling in the life of a congregation. Arguing convincingly for a "paradigmatic revolution," Capps offers a radically new model that gives systematic and constructive attention to the way people actually "story" their lives - inspirationally, paradoxically, or miraculously.

Many folks shy away from Bible-based counseling because they assume the Bible is like a bad story, flatly giving instruction about behavior instead of offering a rich, colorful picture of human life. The best counseling uses Scripture as God intended: as a living perspective of a dynamic world that holds authority over our own.
