The great American Sociologist C. Wright Mills, in his book The Sociological Imagination once said that "Neither the life of an individual nor the history of a society can be understood without understanding both.". Take a look at your classroom again. Look around at all of the faces. If you are in a typical high school or college classroom you should see a bunch of young men and women ...

When fields such as psychology and sociology were still new, George Herbert Mead became a leading pragmatist and pioneer of symbolic interactionism, a theory that explores the relationships

between people in societies. More than a century after his death, Mead is widely considered to be one of the founders of social psychology, the study of how social environments influence individuals.

Biography of Sociologist George Herbert Mead

George Herbert Mead (February 27, 1863 – April 26, 1931) was an American philosopher, sociologist, and psychologist, primarily affiliated with the University of Chicago, where he was one of several distinguished pragmatists. He is regarded as one of the founders of symbolic interactionism and of what has come to be referred to as the Chicago sociological tradition
