Oftentimes, the barriers many couples face is not physical distance, but emotional distance, which I dare to say is intimacy. The closeness of not only feeling their next breath, but going deeper and feeling their heart. Yes, even miles apart. Practice mindfulness; what sense can you tune in to better connect with your partner?

Emotional distance in marriage, also called emotional neglect in marriage, is a painful dynamic. It's a lack of emotional support or feeling emotional intimacy with their partner. Others feel disconnected, and in response, they emotionally disconnect themselves and give their partner the silent treatment.
