I'm a big fan of the medieval theme and fascinated by all kinds of modular buildings, so I went to this idea pretty quickly. In total, the model contains approximately 2500 bricks and is divided into 4 parts, which you can take away in order to access the interior of the building and play with the Lego figures.

LEGO IDEAS - Medieval Market

LEGO Castle was a Lego medieval and fantasy environment featuring knights and castles. It was introduced in Europe in 1978 and North America in 1981, and was supported continuously until 1999. It was also the name of a theme within that environment from 1987 to 1991, and the name was reused for two other, single-theme environments, one from 2007–2009 and the other in 2013. Other medieval Lego themes have included Knights Kingdom, Knights Kingdom II, and Kingdoms, and are included here ...

From the outside, the Medieval Blacksmith is surrounded by many plants, animals and a large tree. Moreover this set includes 3 minifigures and a lot more of small details. In addition, the big carmine is characteristic of this set. In my opinion, this set is great for the series Creator Expert. I hope you like my model and please support it.
