Now, Midgard is lost in an age of war: of dark wilderness, and lost empires sunk beneath the waves. Only magic and the warmth of hope keeps lights aglow when dread things prowl and priestly wardings shake, bent by demonic rage. What’s more, sinister forces are forming new and terrifying alliances throughout the world.

Midgard probably sat in the trunk of the tree, between the two. It is also described as being midway between Niflheim, the land of ice in the north, and Muspelheim, the land of fire in the south, so at the perfect place in the center of the universe. It was surrounded by Jotunheim, the sparsely populated wilderness realm of the giants.
