Modern Day Education : The Problem Of Modern Education 1056 Words | 5 Pages. Modern day education on paper seems to be thriving with higher test scores than ever before, but unfortunately that is not what is needed for a student to get an education that will help them excel in college and live a successful, and meaningful life.

### Modern Education Essay | Bartleby

An Essay on Classical Education that You Must Read. In 1947, Dorothy Sayers stepped up to a podium at Oxford University and gave a piercing critique of our modern educational system. She bemoaned the industrial complex that had turned education into a factory, teaching children in repetitive ways. Students were proficient at gaining knowledge, she explained, but could not think critically, solve complex problems, or master the art of learning.

We shouldn't be ditching classic texts for contemporary stories, students need a blend of past and present to develop crucial skills, says English teacher Sally Law

### Classic works of literature still have a place in today's ...

Popular culture is worth careful academic study, at least as much as "the classics" or "high culture." Higher education isn't important except as a credential to become a corporate drone and in some fields. Grave inequalities persist, and our very civilization is racist. We ought to tear down and malign all the productions of white men.

### Modern education and culture, or, what did you think would ...

A collection of essays grappling with some of the most significant topics of our time, Essays Ancient and Modern reveals Eliot's thoughts on his literary contemporaries and predecessors, the role of religion in a secular society, and the continuing tradition of the classics in modern education. Astute and erudite, here we see the inner thoughts of one of our greatest minds, articulated in ...
