Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for.

### Music Theory For The Bass

The concept of teaching theory from the bass guitar, ends up doing 2 things that are much needed for a player, as I see it. 1. Relational understanding- you relate theory knowledge directly to the instrument in your hands, which solidifies both music theory in practice, and deepens your understanding of the bass in your hands. 2.
