**Oil On Water A Novel**

Oil On Water, by Helon Habila, is a novel that takes in Nigeria where oil has become the main concern. The oil companies are buying up villages and destroying the environment. That's when the militant group starts fighting back, and one of the ways they do so, is by kidnapping important people and family members of the oil

deadly politics of oil in the Niger Delta. The wife of a British oil executive has been kidnapped by a group of militants, and this in itself is not necessarily newsworthy as it is a common enough occurrence in the region with its own rules for the exchange of monies and the release of the kidnapped person.

This paper, therefore, examines Helon Habila's *Oil on Water* as a testament to the environmental mindfulness of Nigerian novelists. The choice of *Oil on Water* is informed by the fact that there is a dearth of serious scholarly research on the novel.
