Packers Private Lines People Armour Ogden

J. Ogden Armour wrote two books: The Packers, the Private Car Lines, and the People in 1906 and Business Problems of the War in 1917. In 1917 as a show of solidarity with the war effort, Armour and his wife dug up the lawns of their Chicago home at 37th Street and Michigan Avenue as well as the estate in Lake Forest and planted them with potatoes.

J. Ogden Armour - Wikipedia

Armour & Company was an American company and was one of the five leading firms in the meat packing industry. It was

Catalog Record: The packers, the private car lines, and ...

The Armour & Company meat packing plant in National City, Illinois is a window into a bygone era, a time capsule with late-19th century technology still on display. During its heyday the busy stock yards of East St. Louis were the largest in the world, and known around the U.S. as the "Hog Capital of the Nation."
