## PERFORMANCE- BASED ASSESSMENTS FOR TEACHING AND LEARNING

Broadly speaking, performance assessment is any learning activity or assessment that asks students to perform or showcase their learning in order to demonstrate their knowledge, understanding and/or competencies, usually in a real-world context. It is often a key component of high-quality student-centered learning. Tom Vander Ark stated:

## Performance Assessment in Different Learning Environments

The culminating activity or product for performance-based learning is one that lets a student demonstrate evidence of understanding through a transfer of skills. A performance-based assessment is open-ended and without a single, correct answer, and it should demonstrate authentic learning, such as the creation of a newspaper or class debate.
