Performance review Project engineer

Everything I Have Learned about Making Engineering Performance Reviews Efficient, Effective, and Fun. When I ran our first performance review cycle for about a dozen engineers a little over a year ago, I had never participated in an official performance review myself, either as a manager or a report. I was a bit skeptical that the whole thing might be a bunch of corporate bureaucracy, only necessary at large companies for incentivizing armies of employees with invented ladders of meaning.

Everything I Have Learned about Making Engineering ...

Here are some sample performance review comments that you can use while conducting a performance evaluation. Annual performance appraisals are one of the most important times of the year in any company as it allows employees to understand how well they have been doing and how they can enhance their performance.
