Policing And Punishment In London

By a thorough analysis of London's and Middlesex's trials at the Old Bailey from the Restoration to 1750, he reflects profoundly on three aspects of crime in early modern English society - the nature of the criminals before the London courts, the responses to crimes by the city's judicial authorities, and the role played by London's representatives who, through political lobbying and successful legislation, translated the city's problems into national policies.

Crime and Punishment in Victorian times - BBC Bitesize

In the eighteenth century, innovations in policing and punishment often clustered at the ends of wars, when crime rates rose again. In the war years of the early eighteenth century, by contrast, important innovations were associated with low levels of prosecution--perhaps because this very drop was thought to demonstrate the effectiveness of certain measures it was therefore deemed wise to extend.

Policing and Punishment in London 1660-1750. Urban Crime ...

One of the fastest-growing and most exciting areas of historical research in recent years has been the study of crime and the criminal. The intrinsic fascination of the subject is enhanced by the fact that between the mid eighteenth century and early twentieth century, the English criminal justice system was fundamentally transformed as a new disciplinary state emerged.
