Politics Of British Foreign Policy

After the overthrow of Napoleon in the Battle of Waterloo in 1815, England followed a policy of aloofness from European politics. It is true that from 1815 to 1822 she co-operated with the other members of the Quadruple Alliance to maintain peace in Europe but after the death of Clastlereagh in 1822, Canning came to power.

History of The British Foreign Policy

The diplomatic foreign relations of the United Kingdom are conducted by the Foreign and Commonwealth Office, headed by the Secretary of State for Foreign and Commonwealth Affairs. The Prime Minister and numerous other agencies play a role in setting policy, and many institutions and businesses have a voice and a role.

Foreign relations of the United Kingdom - Wikipedia

This original and lucid book examines the foreign policy of the British Labour government in the aftermath of the Second World War. It exposes Britain's complicity in the creation of the Cold War and emphasizes the continuity between Labour's policies and those of Churchill's coalition government, underscoring the political influence exercised by senior members of the Foreign Office.

The Politics of Continuity: British Foreign Policy and the ...

The UK boasts to have a special relationship with the USA in terms of foreign policy. British foreign policy has privileged the idea of working closely with the United States, particularly in the area of international security, where the UK has provided the largest and most effective non-US contingent to three American-led conflicts in recent years - twice in Iraq and once in Afghanistan (Wallace and Phillips, 2009: 267).

Since 1945, Britain's foreign policy has rested on three pillars: the transatlantic alliance, European economic integration (since 1960), and preserving the multilateral system and international rule of law. Brexit knocks away the central pillar, and the other two are looking shaky.

The big squeeze: British foreign policy after Brexit ...

The British think even of foreign policy as a sort of game. Unlike the Germans or the French, to whom politics is a matter of life or death, the British are capable of extreme detachment in the direction of their complex foreign affairs. Europe is a sort of stage; the play that is going on is a play.
