One theory is that consciousness is created on a quantum, sub-atomic scale through energy which is constantly contained in the universe. The theory is based on Einstein's famous quote, when he...

## **'You are everywhere!' Human consciousness exists BEFORE ...**

To summarize Dr. Wolinsky's "Quantum Consciousness," we are often living somewhere else other than the present time. We do this by distracting ourselves with ideas and concepts about what we should be, what things mean, judgments and interpretations that we have made about people, places, things and situations.
