The Guide to Smart Living - CNET

Saving money, or the "saving habit"—as Napoleon Hill put it many years ago in his classic "Think and Grow Rich"—is the foundation of all financial success. Having money saved is what provides the means for you to take advantage of situations—whether it's going back to college, starting a new business, or buying shares of stock when the market crashes.

A Complete Beginner's Guide to Saving Money

Avoid situations where a guy might expect more than you want to give. Go out with boys close to your age. Girls who go out with older guys are more likely to have sex before they're ready. Dating...
