A quick look at the Standard Horizon's HX 851, you can pick these up from eBay for a great price as they're last years model and have now been replaced by th...

Standard Horizon HX 851 VHF review - YouTube

The HX851 is an update to the HX850s and is a great handheld VHF radio that boaters operating in open waters should have. If you only operate on inland lakes, then this VHF has a lot of bells & whistles that you don't need, but it's still good at being a basic VHF, and if you take that rare trip on open waters, then it would sure be comforting to have the DSC MAYDAY service.
