Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

When I first started this blog, I wrote my list of favorite picture books for young children because my oldest was three. But I blinked, and just like that, she's now nine and a half. My, how time flies. I love age nine, but it's totally pulled the rug out from under me—I feel like out of nowhere, my girl is on that cusp heading in to a (very) young adulthood, while still keeping a toe ...
