up the runes? Mastery of the runes can take many years, but it is not difficult for a beginner to learn the basics. (Much as young children can quickly learn their ABCs.) The first learning tool you'll need is a rune set of your own, to begin familiarizing yourself with this ancient system of knowledge.

Method #4: With your eyes closed and while in a neutral state of mind draw three runes from the bag and line them up. The first rune is an answer to a past situation, the second one is an answer to a present situation and the last is an answer to a future situation. Add Tip Ask Question Comment Download.

Draw runes on your body and think of their intention during physical exertion. In addition to charging them, this can work to further bind the runes to your energy, and vice versa. Your rune can be drawn on anything, like your tools used in spellwork, for an added infusion of power or extra help and guidance.
