Origins of the Diaspora Religion When African slaves were transported to the New World between the 16th and 19th centuries, they each brought their own personal beliefs. However, slave owners deliberately mixed slaves from a variety of different backgrounds together in order to have a slave population that could not easily communicate with itself, and thus curtail the ability to rebel.

African Diaspora Religions

Historically, much of the African diaspora population began in the Americas, Europe and later expanded in Asia. A significant reason for this occurred during the slave trade era across the Arab and Atlantic Ocean. Scholars believe that this was the origins of the concept of the African diaspora, which occurred during the 16th and 19th centuries.
