6 out of 10 This bonus was slow at the start and seemed rather unnecessary, but the story's ending did save it for me. We see Hector being young (around 15, if my memory serves me right) and eager to join the Royal Guard, but his first day as a new recruit becomes a disaster which ends with a strange errand from the King.

I do know they accompany King Joeffry at the beginning of the game. You cannot capture or recruit them after battle. However, if you take Kings landing I'm not sure. I think produno tried at one for those who captured Kings landing to inherit the kingsguard. You would have to capture Kings landing and find out for yourself.
