In The Realms Thereunder, the first book in the Ancient Earth series, he has a great storyline that you can relate to regarding a secret history of England and the sleeping Knights who protect the realms of ancient Earth before, during and after of any evil doing. I found myself immersed in this book for the first few chapters.

The Realms Thereunder Ancient Earth 1 Ross Lawhead

The Realms Thereunder is not groundbreaking. It is a good tale, built on solid and familiar tropes. I hope that Lawhead builds upon this foundation in his next book of The Ancient Earth Trilogy, A Hero's Throne. england speculative. Written by Jared H. Thereunder, The Ancient Earth Trilogy
#1. Freya and Daniel are closer than
they will ever want to admit. They are
connected in many ways: they went to
the same school, they were both born on
the same day, and they both went on
the same class trip that ended up
changing their lives forever.
