The Rhetorics Of Us Immigration

In The Rhetorics of US Immigration, some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States. The Rhetorics of US Immigration provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants. Whereas extant literature on immigration rhetoric tends to focus on the media, this work extends the conversation to the immigrants themselves, among others.

This book is a unique study of rhetorical responses to the crisis through a comparative approach that analyzes the discourses of leading political figures in ten countries, including gateway, destination, and tertiary countries for immigration, such as Turkey, several European countries, and the United States.

National Rhetorics in the Syrian Immigration Crisis ...

The United States is a nation of paradoxes when it comes to immigration. Over time, Americans have both welcomed and shunned immigrants, touting and warning of the economic, social, and security consequences of opening the door to the “huddled masses” who come to the United States seeking refuge from wars and other disasters, or simply for a better life.
