Operation Gladio is the codename for clandestine "stay-behind" operations of armed violent resistance that was organized by the Western Union (WU), and subsequently by NATO. Ostensibly the operation was designed for a potential Warsaw Pact invasion and conquest of Europe, however it is suspected to have been already activated to counter existing left wing parliamentary majorities.

Sweden was self-sufficient in most of its military equipment such as cannons and aircrafts. Neutrality, but near contacts to United States and NATO. It would have been impossible for Sweden to be neutral in the case of a war between NATO and the Warsaw Pact. In fact, the Swedish military forces were directed
