Vasectomy The Cruellest Cut Of

Vasectomy: The Cruellest Cut of All exposes the modern medical nightmare that is Post-Vasectomy Pain Syndrome. Widely viewed as "safe and simple" vasectomy frequently produces lifelong pain, often worsened by sexual activity, arising months or years after the procedure.

Vasectomy: The Cruellest Cut of All (the Modern Medical ...

Vasectomy: The Cruellest Cut Of All (The Modern Medical Nightmare Of Post-Vasectomy Pain Syndrome) debunks the "safe and simple procedure" myth and calls for an end to vasectomy. The book was published in 2006, and in many areas of medicine this would mean that much of the information is outdated. However, consistent with how the "safe and simple procedure" rhetoric persists in urology and the larger medical community, an intensive search of the scientific literature almost ten years ...

Is this the cruelest prank to play on a guy? | Yahoo Answers

And a vasectomy-unlike a Norplant- cannot always be reversed. Giving teen-agers contraceptives encourages promiscuity, and bribing them to use Norplant will encourage it even more.

The Norplant Option - Slate Magazine

How ridiculous that cutting somebody's balls off is considered the cruelest thing you can possibly do to a human but in dogs and cats and pets, it's just some euphemistically expressed 'neutering' and 'spaying.' It is wrong on principle period to practice such cruelty and it's even worse to then pretend it's not cruelty.
