"If you do not create change, change will create you." ~Unknown. We are often resistant to change, and we don't realize that change itself is constant. Even if you resist or avoid it, it will enter your life just the same. When you initiate the change yourself, it's pretty easy to adapt to it, since it's a wanted one.

## 10 Powerful Benefits of Change & Why We Should Embrace It

O God, give us the serenity to accept what cannot be changed, the courage to change what can be changed, and the wisdom to know the one from the other. Wygal was a longtime YWCA official and all early recorded usages were from women involved in volunteer or educational activities connected to the YWCA.: 3.

## Serenity Prayer - Wikipedia

Change is only a waste to those who don't learn from it. Change happens in the heart before it is proclaimed by our works. Change chaps those moving slower than the change itself. If you can change before you have to change, there will be less pain. Change can flow or jerk, depending on our resistance to it.
