The Power of Presence, How "Living In The Now" Can Change Your Life. Presence is the powerful practice of being in the moment. It is created through an acute awareness of one's thoughts, feelings, and emotions, and in our modern day society, being present doesn't always come easily. The overstimulation and distraction that come from technology, social media, work, family life, social engagements, and the never-ending "to-do" lists regularly take us out of the now and into a ...

Presence is a noun, not a verb: it is a state of being, not doing. States of being are not highly valued in a culture which places a high priority on doing. Yet, true presence or "being with" another person carries with it a silent power — to bear witness to a passage, to help carry an emotional burden or to begin a healing process.

The Power of Presence « Debbie Hall | This I Believe

For my response this week I selected Debbie Hall's "The Power of Presence" from thisibelieve.org. This piece struck me because it relates to many of my own beliefs about how important the interactions between people are. In this piece, Debbie Hall describes her experiences as a therapist, a friend and a colleague.
