world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Writing Workshop In Middle School

So I completely understand why teachers wonder how they can successfully use the writing process in a middle school setting. Teachers often feel that if they spend 2-4 weeks on a single writing task they are NOT addressing reading skills, grammar, and all of the standards that we are required to squeeze into the all-too-short time frames we have with our kids.
